

# Adopt-A-Road Program Agreement

The Adopt-A-Road litter program, sponsored by Keep Edisto Beautiful and Palmetto Pride/Keep South Carolina Beautiful, enables citizens to show their community pride and safely reduce the amount of unsightly trash and illegal signage alongside county roadways and right-of-ways. The litter prevention efforts of the Adopt-a-Road program directly benefit the community through litter prevention, greater civic involvement, and area beautification. Help us make a positive statement for a clean, attractive community, and help keep Edisto litter free.

## What Adopt-A-Road Volunteers Do

1. Sign an agreement to adopt a road (minimum of one mile).
2. Make a commitment to do a cleanup 4 times a year (quarterly) or more, following safety rules.
3. Be responsible for disposing of collected litter properly.
4. **Quarterly data reports stating the number of bags collected, send pictures of your team in action, weight of each bag, and length of time spent collecting LITTER.**

Please email results to: [kmoore@townofedistobeach.com](mailto:kmoore@townofedistobeach.com) or text 843-603-0009.

## ADOPT-A-ROAD TERMS

Our family/organization/group, \_\_\_\_\_, agrees to participate in cleanups of litter and illegal signs, and report cleanup results on our adopted street as often as necessary, but not less than four times a year.

Cleanups will be on roads of your choice and within the right-of-way. The **right-of-way** is defined as the space between utility poles and the curb of the road. **Illegal signs** are defined as any sign that is mounted on any utility pole or any temporary sign within 10 feet of the curb or edge of pavement in the right-of-way.

**Road(s) name being adopted** \_\_\_\_\_

While we only require four litter pickups a year, we encourage your team to clean up litter when you see it. You may want to recycle your collected trash. Anything and everything to help keep Edisto beautiful is appreciated.
